Vacation | Family

(Translated by Google) We had a wonderful holiday – the hotel is especially well-suited for families with children. The staff were very friendly, and we particularly praised our waiter **Simon**! The pool area was the best part; it was very well designed for both children and adults.

Vacation | Friends

(Translated by Google) Warm and comfortable rooms. The food is amazing, and the afternoon snack and breakfast are excellent. The property is beautiful with mountain views. The spa is worth a visit, but the real highlight is the staff. Always friendly and helpful. Thanks to **Simon**, our waiter, who looked after us during our stay. The owner is always available and friendly. Three minutes from the ski lifts with a convenient garage, and there's also a bus stop right in front of the hotel that takes you right to the slopes.

Camere calde e confortevoli. La cucina è strepitosa, ottima la merenda pomeridiana e la colazione. La struttura è molto bella con vista sulle montagne. La spa merita, ma il vero punto di forza è il personale. Sempre gentile e disponibile. Grazie a **Simon** il nostro cameriere che ci ha seguito durante questi giorni. La Proprietaria è sempre presente e sempre cordiale. A 3 minuti dagli impianti con comodo garage per la macchina, ma è anche presente la fermata del bus proprio di fronte all' hotel che vi porta esattamente sulle piste.

Vacation | Family

(Translated by Google) We spent a week at Hotel Masl with our 11-month-old child and dog. Despite the consistently bad weather, our vacation was perfect.
The hotel is very beautiful, stylishly furnished, and ideally suited for travel with a toddler – without feeling like a typical family hotel. This allowed us, as parents, to enjoy our time as well.
We would especially like to commend the outstanding service from **Simon** and Roberta, who were always attentive, friendly, and competent.
All in all, a thoroughly enjoyable stay – we would love to come back.

Wir hatten einen einwöchigen Aufenthalt im Hotel Masl mit Kind (11 Monate) und Hund. Trotz durchgehend schlechtem Wetter war der Urlaub perfekt.
Das Hotel ist sehr schön, stilvoll eingerichtet und bestens geeignet für Reisen mit Kleinkind – ohne dabei den Charakter eines reinen Familienhotels zu haben. So konnten wir als Eltern ebenfalls die Zeit genießen.
Besonders hervorheben möchten wir den hervorragenden Service von **Simon** und Roberta, die jederzeit aufmerksam, freundlich und kompetent waren.
Alles in allem ein rundum gelungener Aufenthalt – wir kommen gerne wieder.
